Happy New Year!

Another Christmas has been celebrated and we trust that it was a rich experience for all of you as you reflected and embraced its true meaning. Only those who have made room for the Christ child can really enjoy this season of celebration. God's promise to be with us remains true in 2022. Let's continue to be Kingdom Minded in this New Year! May we never forget that if God could open a virgin's womb, He can, also open doors for us in ways that we can't even imagine. So, as we approach this New Year, let us as a church, take time to give thanks for the open doors of this past year 2021 and in this new year may we be open and willing to walk through every open door to impact our world for good. People are in great need and more than ever, we need to "Come Alive" in Christ Jesus! We need to be people of prayer, faith, righteousness, and compassion. We need to love each other and love God above all else. Will you commit in 2022 to live more fully for Jesus Christ? This year, Tracey and I celebrated our eighth Christmas with you. Your kindness, generosity, and hospitality to us, again this Christmas Season has been appreciated. Let me say again, on behalf of Tracey, thank-you for your love and encouragement. Also, on behalf of all our Pastors, Staff and Board of Deacons we wish you all a Happy New Year!
